

UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

In re:

Case No. 15-40035

RACHAEL SUZANNE WILLIAMSON,

Chapter 7

Debtor.

Judge Thomas J. Tucker

_____ /

**ORDER DENYING CREDITOR JEFFERY BECKER'S
REQUEST FOR WRIT OF GARNISHMENT**

This case is before the Court on creditor Jeffery Becker's request for a writ of garnishment, filed March 11, 2015 (Docket # 36). The Court concludes that such request must be denied. This is because *this Court* did not issue any money judgment against the Debtor on which a garnishment *in this Court* could properly be based. (The stipulated order filed in this case on February 26, 2015, entitled "Order Acknowledging Debtor Rachael Williamson's Debt to Creditor Jeffery Becker Is Non-Dischargeable" (Docket # 32, the "February 26 Order") is not such a money judgment.) As stated in the February 26 Order, the Debtor's obligation to pay the \$10,500.00 debt to Jeffery Becker, which the Court found nondischargeable in the February 26 Order, arose out of a Judgment of Divorce entered in state court. Therefore, that court is where Mr. Becker must seek any writ of garnishment, or otherwise seek to collect on the debt at issue.

Accordingly,

IT IS ORDERED that creditor Jeffery Becker's request for a writ of garnishment (Docket # 36) is denied, without prejudice to his right to seek such a writ from an appropriate state court.

Signed on March 11, 2015
